Dear

Re: Membership Invitation for Renewal and New-join

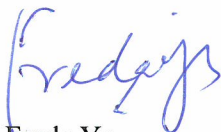

The CityU Staff Association (CityU SA) is a registered trade union which is dedicated to protecting the rights of CityU staff of any grade or position. I should be pleased if you could give us your support by joining us or continue to support us. I am, therefore, writing to invite you to join our Association. Kindly fill in the particulars onto the attached membership renewal list or application form (for new-join) including the contact details, together with a cheque payable to “City University of Hong Kong Staff Association” and send to our Office at Y4303, Yeung Kin Man Building.

To commemorate the 35th anniversary of the CityU SA and a token of appreciation for your support, your registration will automatically become an entry to our lucky draw. By random, we will draw “the lucky 35” from all entries and they will receive notifications for the collection of a gift at the appointed time. Further details of the lucky draw will be available at our newly CityU SA website (<https://www.cityusa.info/>). Any unclaimed gifts will be reserved for future CityU SA lucky draw events.

Members of the Executive Committee of the CityU SA will not participate in this Lucky Draw.

Thank you once again for your support. Wishing you all a healthy and fruitful year ahead.

Yours truly,

Freda Yu

Chairperson
